

January 2012

EeShel Zwerk called the meeting to order at 6:35 and led us in prayer.

Fr. Tipton - Not present - Ms. Gabbie said he says "he's happy." The parish study committees have been assigned.

Ms. Gabbie - Happy to be back, lots to do the 2nd part of the year and as the first part of the year goes fast, the 2nd goes faster. Still sending out many thank you notes. Getting ready for CSW. Instead of kicking off we are going to finish with Saturday night mass followed by potluck and family fun night. Since we are not starting with a mass she would like to ask some parishioners from other parishes if they or their children could talk at Catholic Schools Week about their school. Kristine and Cristina will be the organizers for St. Norbert and is hoping to get more kids out there in other parishes. Just excited with the smart boards and knowing that we can maybe get one or two more. CSW is January 29-Feb 4th and we're looking forward to it. Then Iowa testing for 3/5/7

Mrs. Cameron - Christmas program was outstanding, impressed with her kids and the little preschoolers performed. Glad her kids have been healthy this week and have had all 9, energetic, and well rested kindergarteners happy to be back to learning.

Mrs. Territo - December was a whirlwind month, kind of a culture shock, would have her lesson plans ready and then the program would keep them busy out of the classroom. Is sorry she couldn't attend the program. Trying to hit the ELA program hard this marking period; going to work on stations, Mrs. Bouvy is going to help with a group, they'll have three stations for kids to rotate through. CSW we're going to start a program on family histories. Kids are going to work on a report interviewing their grandparents and would like the grandparents to come in during CSW for lunch.

Mrs. Redwanz - Good to be back, thanked everyone for the great gifts and help with the costumes and the kids did a really wonderful job with the Christmas Program. Things are going well in the classroom; having Mary, Cristina and herself in there is going very well and the kids are getting more one on one interaction. Has a new interactive smart board in the classroom. Very excited to get started with that. Wants to get the drag the states on the board app. Recently went over the social studies theme, 4th graders will be going to Zehnder's snowfest to sculpt in January.

Mrs. Bojo – Not present but wanted it known that 5/6 is skiing next Thursday and needs drivers.

Mrs. Papesh – Thought the Christmas program was the best one yet and heard many compliments on it. Excited for the upcoming CSW. Have four Temple Theatre productions to see in the coming months with the 5/6 as well, K 1<sup>st</sup>/2<sup>nd</sup> will be going to two performances. It's AR & AM crunch time with the 2<sup>nd</sup> marking period approaching it's end.

Treasurer's Report - December wasn't too crazy (See report) Did make another payment of \$4,000 to the school. Standard more came in then went out so that is always good.

\$100 Dinner Dance - Amanda Hecht - Things are progressing nicely, 72 tickets have been sold so far so that is a good start. Still kind of in the planning stages, not much to shake down until February.

Cash \$52 - We had sold 275 the last time she reported and now has 225 left to sell. We need any kind of help we can get. If every church family buys a ticket we can get rid of them all.

Unfinished Business - Gabbie got an account with Tuscola Today and people can sign up for text alerts through them. Whenever there is delay please check again after 8:30 because if it hasn't cleared there possibly will be a cancellation.

December Minutes - Change date to December 2011 and put 7/8 update under Unfinished business.

After changes, Gabbie motions Lisa Trombley. seconds to approve minutes.

New Business

CSW - January 29-February 4 – The H&S will work with the student council to put on the potluck after 5:00 mass on February 4<sup>th</sup>.

Gabbie - Wants to see if H&S will pay for the fingerprinting of two coaches. \$112.00 Motion Carol Starling Second by Michelle Schluckbier. Motion Approved.

Next meeting will be February 2<sup>nd</sup>. Meeting adjourned at 6:58

Respectfully submitted: Dawn M. Papesh
