- St. Elizabeth is accredited by MNSAA—Michigan Non-Public School Accrediting Association - and this is what the accreditation team said:

“There is a strong sense of Christian-based atmosphere in the school.”

“St. Elizabeth School has a safe welcoming atmosphere and an environment that is attractive and well kept.”

“The pastor is a positive figure in the school.”

“The faculty has a wonderful rapport with one another and shows strong team support.”

“Students are valued as individuals and are responsible for themselves.”

“The teachers, parents and parishioners work hard to help the administration through various organizations.”

“Teachers go above and beyond their job descriptions to help students in need of additional instruction.”

“Small class sizes allow for immediate response to students as they work and for more individualized instruction.”
